3. Content Themes & Monetization

The Epoh Abengs' content is structured around several key pillars that can be translated into website categories:

- **Marriage & Couple Life:** Sharing the journey of their relationship since 2021, focusing on "God-centered" love.
- **Beauty & Self-care:** Practical tips and product recommendations for their audience.
- **Recipes & Home:** Daily inspirations for a fulfilling home life.
- **Faith & Inspiration:** Spiritual guidance and quotes, often in French.
- **Professional Inquiries:** Open for collaborations, brand partnerships, and professional demands.

4. Website Strategic Recommendations

Based on the gathered intel, the following structure is recommended for the new website:

Proposed Site Map

1. **Home:** Dynamic hero section featuring their top-performing Reels/Videos, a clear bilingual mission statement, and latest blog highlights.
2. **About Us:** The "Origin Story" of the couple, their individual backgrounds, and the mission behind their content creation.
3. **The Blog (Le Blog):** Categorized by Marriage, Beauty, Recipes, and Faith.

4. **Gallery:** A curated visual portfolio of their best lifestyle photography.
5. **Collaborations:** A dedicated page for brands with a media kit download and inquiry form.
6. **Contact:** Integrated contact form and direct links to all social platforms.

Design Direction

- **Vibe:** Warm, inviting, and "Modern African Elegance."
- **Palette:** Earthy tones (terracotta, cream) paired with gold accents to reflect warmth and faith.
- **Functionality:** A prominent bilingual toggle (FR/EN) is essential as they serve a dual-language audience.

5. Information Gaps (Action Items)

While much has been gathered, the following details are still needed from the client to finalize the build:

- **Husband's Full Name:** While "Epoh Abeng" is the brand name, the husband's individual name could not be definitively identified through public social media profiles and should be confirmed for the "About" page.
- **Brand Assets:** High-resolution logo files and a primary color palette.
- **Monetization Specifics:** Confirm if they plan to sell digital products (e.g., marriage guides) or offer booking for consultations.
- **Domain Preference:** Confirm if `theepohabengs.com` is the desired URL.
